Hi! I'm Jason Steven Gamba Manzano, a passionate web development student and certified microinformatics systems technician. I have experience with programming languages such as Java, JavaScript, TypeScript, Python, and PHP, and I'm proficient in frameworks like Ionic, Next.js, and Electron.

I possess strong knowledge of both Windows and Linux operating systems, along with a solid grasp of office productivity tools. I'm a responsible, punctual, and quick learner who is always eager to take on new challenges and grow professionally.

Experience

CIN Valentin 2024

7 months of experience • La Llagosta, Barcelona.

- I worked as an office assistant in the warehouse, where I gained experience with IFS ERP.
